Establishment - (Temporary) Survey and Land Records - South Kanara District - Additional Taluk Surveyors- and ~~in non~~ chainmen further retention - Proposals.

Ref:- G.O.Ms.2678/Rev. dated 4-10-1952. (A)

--

In the G.O. cited above sanction was accorded for the retention of two additional taluk surveyors and two chain-men for attending to clearance of arrears of maintenance work in the two taluks of Udipi and Kasargod, for a period of one year from 15.10.1952 and 16.10.1952 respectively.

The maintenance work under all heads specially under assignment and land acquisition has increased to a great extent. The Taluk Surveyors therefore find it difficult to cope up with the current maintenance work and reduce the arrears to an appreciable extent.

In view of the heavy pendency still remaining and the day to day increase in the volume of maintenance and survey work in both the taluks the retention of these additional staff is found to be absolutely necessary. The statistics furnished will also amply justify the retention of the staff in both the taluks. I, therefore, request that the Board may be pleased to obtain the orders of the Government for the retention of the staff of two additional surveyors and two chain-men for a period of year from the date of expiry of the period of sanction.

The statistics are furnished in the enclosed statement

I submit that the Government in G.O. Ms.2678, Revenue dated 4-10-11952 have sanctioned the retention of the Additional Taluk Surveyors and Chainman of Udipi and Kasaragode Taluk for a period of one year from 15-10-1952 and 16-10-1952 respectively. In Government Memo. No.20360/53 dated 29-1-1953 an amendment was issued and it was ordered to substitute the expression "One year from 15-10-1952 against Kasaragode Taluk" instead of "one Year from 16-10-1952.".

In the circumstances reported by the Collector of South Kanara, I submit that the retention of the Additional Taluk Surveyors and Chainman for Udipi and Kasargode Taluks may be got sanctioned for period of one year from 15-10-1953 in view of the fact that the clearance of arrears of maintenance work in the Taluk is fairly heavy.
